

CHS Booster Club Membership

The CHS All-School Booster Club raises funds through a golf tournament, membership dues, merchandise sales, and concessions.

Please consider becoming a member of the Booster Club. There are several membership levels available and your contribution and participation is appreciated. The club depends on your membership to support the students of CHS.

In addition, you may contact Dr. Nancy Scheller, Principal at CHS, Lance Tollison, Athletic Director at CHS, or any Booster Club board member. If you have an interest in becoming a board member, joining and volunteering are great ways to get started.

Our Mission

The mission of the Cape Central All-School Booster Club is to assist in the promotion and recognition of extra-curricular activities and to assist in the recognition of students at Cape Central High School. The activities of the Booster Club are developed and directed by a board of 15 directors. The Booster Club completes its mission through membership fees and by hosting fundraising events with the proceeds used to fund diverse extra-curricular activities.
